

**IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF ILLINOIS**

Rinne Corp,
v.
Plaintiff,
The Partnerships, and Unincorporated
Associations Identified in Schedule A,
Defendants.

Case No. 1:23-cv-16232

Honorable Judge Jeffrey I. Cummings

DECLARATION OF MIAO XU

I, Miao Xu, declare as follows:

1. I am an employee of Vanice Technology (**Vanice**), which operates the internet store, enjoyaitlife.com (the **Store**), identified in this lawsuit. In this capacity, I have personal knowledge of the Store's operation and sales and have access to Vanice's business records.
2. I make this declaration based on my personal knowledge and after reviewing Vanice's business records. If called as a witness, I can competently testify to the matters stated herein.
3. Vanice is incorporated and has its principal place of business in China. Vanice operates the Store exclusively in China. Vanice has never owned or utilized an office, hired employees, agents, or representatives, maintained bank accounts, owned assets or properties, or qualified to do business in Illinois or any other part of the United States.
4. Neither the Store nor Vanice has targeted Illinois residents with their advertisements, nor directed any marketing efforts or materials at Illinois.

5. Rinne Corp (the **Plaintiff**) alleges the Store has infringed on its copyrights and trademarks. Specifically, Plaintiff's counsel has provided the attached **Exhibit A**, which shows the allegedly infringing products (collectively, **Alleged Products**).

6. After reviewing the complaint and Exhibit A provided by counsel, I conducted a diligent search of the Store's sales records for the Alleged Products. **Exhibit B** contains complete and accurate sales records, maintained in the ordinary course of Vanice's business.

7. Exhibit B shows that the Store has made no sale of the Alleged Products in the U.S.

8. The Store has not received summons of this lawsuit at its email address.

9. There are many similar mousetrap products for sale online. A brief search reveals numerous similar pictures and sales links for such products. Many listings use product descriptions of "flip and slide." *See Exhibit C.*

10. Before this litigation, the Store was not aware, nor had any reason to be aware, that it could be infringing any copyrights or trademarks. The Store has not attempted to market or pass off its products as those of the Plaintiff or any other party.

11. The Store uses the Paypal account, vanice211@outlook.com, for the Alleged Products, which has a frozen amount of \$111,876.3 due to the asset restraints imposed by this litigation.

12. The Store still plans to continue business operations. However, the existing restraints significantly hinder the Store's liquidity and ability to maintain normal operations.

13. Upon notice of the current litigation (not through service of summons), Vanice has permanently removed the listings of the Alleged Products. While Vanice is moving to challenge the Preliminary Injunction Order (Dkt. 41), Vanice assures the court it will not relist the Alleged Products for sale until further ordered by the court.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and accurate.

[The remainder of this page is intentionally left blank.]

Executed on this 27th day of May, 2024, in Chengdu,Sichuan, China.

- POISON FREE: Simply use peanut butter or any other bait that can be stuck to the trap. Keeps your pets safe and out of danger.
- LIVE OR KILL: You have option of using the device as a live catch or to kill the mice. Use water in the bucket if you intend on not releasing the mice. Using fine sand or saw dust at the bottom prevents the mice from jumping out. Using taller bucket is help with the live catch.
- IMPORTANT (UNIVERSAL BODY): This plank included in this trap set is specifically calibrated for smaller mice. However a set including bigger plank is available for purchase. Additionally you can also just buy the bigger plank only if you already purchased the smaller trap set. The same UNIVERSAL BODY works with both plank.
